Subject: Re: Louisiana chlor-alkali site visits

Hi Judith- We are good with the 3/8 site visit day coming into Baton Rouge on 3/7 and leaving from New Orleans. I will likely leave on 3/9 from New Orleans since I live far from the DC airports but my colleague will likely leave the evening of the tour day on 3/8. Any recommendations on hotels in both locations? My shoe size is 13 for the purposes of the PPE.

Thanks.

Dear Robert,

I wanted to touch base with you regarding EPA visiting the Oxy and Olin sites in Louisiana. First, we have confirmed Wednesday, March 8 with the companies.

When might you be available to discuss specifics by phone?

Thanks a million,

Judith
